

The Penticton Indian Band and The Matrimonial Real Property Law

The Penticton Indian Band is committed to engaging the PIB Community in developing the Matrimonial Real Property Law so it reflects the values and culture of the PIB members.

This package is intended for information sharing to the Community as well as a tool for feedback so PIB will know what areas are of most concern and will be able to address them properly with the Community.

This is the first of many information sharing packages.

We need your help and guidance as we develop this Law, so please take the time to read, share with family, ask questions and give feedback, recommendations and solutions.

In this package you will find:

- Matrimonial Property Law – Things to Think About
- Power Point Presentation – Presented at a Community forum – Oct 8 2014
- Minutes from the Oct 8 2014 Community forum
- Survey – Please take the time to fill it out and turn it in

There will be many more sessions coming in the near future. If you would like to help with this process please contact Tabitha Eneas at the Penticton Indian Band 250-493-0048 or email teneas@pib.ca.

We cannot do this without you PIB!
