EMPLOYMENT OPPORTUNITY

Technician Level II Certified (On-Call)

Reports to: Manager, Natural Resources

Posting Date: April 11, 2018

Classification: 10

The Technician Level II provides field and office support for all projects associated with PIB Natural Resources including: data collection and processing, environmental and cultural research, in-field cultural and environmental investigations, monitoring and tracking, and the conduct of any and all technical and Traditional Ecological Knowledge (TEK) studies associated with PIB Natural Resources.

Duties / Responsibilities

- Conducting in-field works associated with Natural Resources (environmental monitoring, RISC monitoring, Archaeological surveys (i.e. CMT surveys) and risk assessments, land restoration, fish and wildlife projects).
- Planting and monitoring of vegetation.
- Water assessment and monitoring.
- Wildlife and fisheries assessments and monitoring.
- Cultural assessments and monitoring.
- Carrying equipment to and from sites and assisting with set up.
- Maintaining and organizing a job-related log book for data reporting purposes (e.g. temperatures etc.).
- Recording and input of detailed field notes for data reporting purposes.
- Other duties as required of this position.

Minimum Academic/Educational Requirements

- Successful completion Grade 10
- 18 years of age.

Other Certification, Licenses, Designations and/or Training

- RISC Archaeology Certification

Specific Job Skills and Levels

- Ability to adhere to and observe worksite specific safety regulations at all times.
- Work experience in Cultural, Archaeological, Wildlife or Fisheries related field work.
- Ability to work flexible work schedules.
- Ability to be on time and to work in all weather conditions.

Assets

- Driver's license, clear abstract and reliable insured vehicle
- First Aid and Transportation endorsement certificate
- RISC Certification(training may be provided by PIB).
- TEK Training Certification
- First Aid Level 1

Working Conditions

The work is performed in an office or field environment often in difficult weather and terrain conditions. Employees must be physically fit and able to consistently conduct hard physical work including but not limited to lifting up to 50 pounds. Employees may be exposed to animals, insects, inclement weather, travel by small boat, contact with chemicals, etc.. The work continually requires attention and concentration. Participation in projects such as research surveys and in-field activities may involve periods of greater physical effort. The conduct of field activities involves occasional exposure to risk of lost time injury from sprains or fractures or illness from chemical exposure. During archaeology in-field activities employees may be exposed to ancestral remains.

The Penticton Indian Band offers a competitive compensation and benefits package as well as a great team and respectful work environment. If you are qualified and looking for an exciting and rewarding career **respond with Cover Letter and Resume by Closing Date 5:00pm (PST): April 24, 2018** to the attention of:

Director, Human Resources, Email: Jobs@pib.ca or mail to the address above. A detailed job description is available upon request.

*The Penticton Indian Band provides equal employment opportunities to all, regardless of race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status, family status, political belief, creed, disability that does not prohibit performance of essential job functions or that cannot be accommodated, or conviction for which a pardon has been granted. However, where two or more applicants have comparable or equivalent skills and qualifications, preference shall be given, in the following order, to persons with specific knowledge of and/or experience with Sn'Pink'tn(Penticton) language (N'syilxcen), culture, history and customs; persons of Aboriginal, Métis or Inuit ancestry; and all others. **We thank all those who apply; however, only those candidates selected for interview will be contacted.***
