Re: Land and Improvement Assessed Values & Tax Info.

We have been receiving numerous questions on how the land and improvement are assessed.

We decided to hold an information session on assessed values and First Nations property tax for both Skaha Hills and The Bow living residents. We believe this would be a great way to get the info across all at once.

Location: Penticton Trade and Convention Centre –SALON B

Date: Thursday February 6th 2020

Time: 11:00am

We encourage all Skaha Hills and The Bow Living taxpayers to attend.
