Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements of Penticton Indian Band are the responsibility of management and have been approved by the Chief and another Band Councilor on behalf of the Band Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

Penticton Indian Band maintains systems of internal accounting and administrative controls, consistent with reasonable costs. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

Penticton Indian Band is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. Council carries out this responsibility principally through its Finance and Audit Committee.

The Finance and Audit Committee reviews the Band's consolidated financial statements and recommends their approval to Council. The Committee meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, consolidated financial statements and external auditor's report. The Committee reports its findings to the Council for consideration when approving the consolidated financial statements for issuance to the members. The Committee also considers, for review by the Council, the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full and free access to the Band Council.

Independent Auditor's Report

To the Members of Penticton Indian Band

We have audited the consolidated financial statements of Penticton Indian Band and its controlled entities ("the Band"), which comprise the consolidated statement of financial position as at March 31, 2022, the consolidated statements of operations, change in net financial assets, and cash flows for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies and other explanatory information.

Opinion

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Band as at March 31, 2022, and the results of its operations, change in net financial assets, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matter - Supplementary Information

The Band has also prepared another set of consolidated financial statements for the year ended March 31, 2022 in accordance with Canadian public sector accounting standards. However, those consolidated financial statements include unaudited supplementary schedules which present detailed program revenues and expenditures prepared to assist management of the Band to meet the reporting requirements of various funding agencies. Our audit report on the other set of financial statements was issued to Chief and Council and was dated July 25, 2022.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Band's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Band or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Band's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Band's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Band's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Band to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Band to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Penticton Indian Band Notes to the Consolidated Financial Statements

March 31, 2022

1. Summary of Significant Accounting Policies

Nature of Business Penticton Indian Band provides services and support to its band members. Penticton Indian Band is an Indian Band and, as such, is exempt from income tax under section 87 of the Indian Act.

Basis of Accounting These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments, as recommended by the Public Sector Accounting Board.

Reporting Entity The Penticton Indian Band reporting entity includes the Penticton Indian Band government and all related entities that are controlled by the First Nation.

Principles of Consolidation The consolidated financial statements consolidate the assets, liabilities and financial activities for the following organizations which use accounting principles that lend themselves to consolidation with the Penticton Indian Band:

- Penticton Indian Band (PIB)
- Penticton Indian Band Utilities Limited Partnership (PIBULP)
- Okanagan Nation Family Intervention and Services Society (ONTEH)

All inter-organization accounts and transactions have been eliminated on consolidation.

The band accounts for investments in government business enterprises (GBE's) and business partnerships (BP's) using the modified equity basis of accounting. It includes the cost of the Band's investment in the entities, plus the undistributed proportionate share of earnings. Under this method, interorganizational balances are not eliminated.

The following entities have been accounted for on the modified equity basis:

- K'ul Management Group Ltd. (KMGLTD)
- Skaha Hills Limited Partnership (SHLP)
- SnPinkTn Developments Limited Partnership (SDLP)

Asset Classification Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

1. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, bank balances and investments in money market instruments with maturities of three months or less. Cash and cash equivalents on the Consolidated Statement of Cash Flows is represented by cash and short term investments as disclosed on the Consolidated Statement of Financial Position.

Short-term Investments

Short-term investments include guaranteed investment certificates maturing at various times during the next fiscal year. These investments are recorded at cost.

Revenue Recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Revenue received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the Consolidated Statement of Financial Position.

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes are recognized net of an allowance for anticipated uncollectable amounts.

Taxation arrears and interest revenue are recognized at the time of issuing overdue property tax notices to the rate payers for the fiscal year based on the time overdue.

Rental revenue is recognized when the services are provided to tenants, and collection is reasonably assured. When rental payments are received in advance of contracted services, the Band records this as deferred revenue.

Interest income on loans receivable and on funds held in trust are recorded as revenue when received by the Band.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when the transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Assessing the valuation of accounts receivable and calculating the amortization of the tangible capital assets are the primary estimates evaluated by management on an ongoing basis.

Tangible Capital Assets

Tangible capital assets are valued at acquisition cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital assets including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs.

Amortization is charged on a straight line basis against tangible capital assets based on the estimated useful life of the asset as follows.

Asset Class	Rate
Automotive equipment	5 - 15 years
Buildings	20 - 50 years
Equipment	5 - 10 years
Infrastructure	15 - 60 years
Land improvements	15 - 20 years

Included in the infrastructure asset class are water, sewer, drainage, roads and electrical assets.

Tangible capital assets under construction, development or that have been removed from service are not amortized until they are available to be put into service.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed tangible capital assets are recorded at their fair value on the date of contribution, except in unusual circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

1. Summary of Significant Accounting Policies (continued)

Segmented Information Penticton Indian Band is a First Nation organization that provides a wide range of services to its members including social, education, health, housing, public works and economic activities. For management reporting purposes, the Band's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives with special regulations, restrictions or limitations. Services are provided by programs and their activities are reported in these funds. Certain programs have been separately disclosed in the segmented information, along with the services they provide, and are detailed in the Schedule of Segmented Operations.

Administration Services

The Administration Services program provides administration support to other band operated programs and services.

Social Development

The Social Development program provides financial benefits and services to individuals and families, resident on reserve, who are in need.

Education

The Education program provides services to eligible First Nations students enrolled in elementary/secondary education programs and eligible post-secondary education programs.

Community Health

The Band provides health programs and services under an agreement with First Nations Health Authority, and the Province of British Columbia.

Housing

The Housing program provides on-reserve housing to eligible members under the CMHC housing programs for First Nations.

Public Works

The Public Works program is responsible for the construction and maintenance of public spaces within the community and includes the Penticton Indian Band Utilities Limited Partnership (PIBULP).

Land, Estates and Memberships

The Land, Estates and Memberships program negotiates and implements land claim and self-government agreements on behalf of the Band.

Economic Development

The Economic Development program provides planning and capacity development initiatives under agreements with the Province of British Columbia.

Okanagan Nation Family Intervention and Services Society (ONTEH)

The ONTEH program is a Band-run organization that operates a transition house.

2. Economic Dependence

Penticton Indian Band received approximately 47% (2021 - 45%) of its revenues pursuant to funding arrangements from Indigenous Services Canada (ISC).

3. Comparative Figures Adjustment

During the year, management identified \$112,763 of revenues that were incorrectly included in the prior year instead of being deferred. This resulted in overstated surplus for the year on the Consolidated Statement of Operations and understated deferred revenue, net financial assets and accumulated surplus on the Consolidated Statement of Financial Position at March 31, 2021. The comparative information has been updated to reflect this correction.

During the year, management identified \$464,441 of revenues that were incorrectly excluded in the prior year due to improper cut-off. This resulted in understated surplus for the year on the Consolidated Statement of Operations and understated accounts receivable, net financial assets and accumulated surplus on the Consolidated Statement of Financial Position at March 31, 2021. The comparative information has been updated to reflect this correction.

Certain other comparative information has been reclassified to conform to the current year's presentation.

4. Cash and Short-term Investments (continued)

Term deposits consist of five one-year cashable GIC's at rates varying from 0.85-3.0% per annum, maturing between March 2023 and March 2024.

In 2004, the Band removed their funds from the Ottawa trust funds and have set up a separate trust fund account administered by the Band Council. The amount remaining in this fund represents the interest earned in the fiscal year that transfers to the Band on April 1 of each year.

The Band holds Revenue and Capital Trusts which are funds retained from Band Own Source Revenues (OSR) for investment.

OSR funds received from recurring sources such as government business profits, rents, and local casino agreement are allocated to the Revenue Trust investment account. These funds may be authorized by Council, to provide services or benefits to members which would not otherwise be provided by government transfers.

OSR funds received from items such as long-term land leases, specific claims and resource extraction royalties are allocated to the Capital Trust investment account, and may be used, once authorized by Council, for capital and infrastructure projects.

The capital fund is designed to be used as designated by Chief and Council from time to time for extraordinary capital expenditures which benefit or service rate payers. The capital fund is currently underfunded by \$290,691.

The contingency fund is designed to hold any surplus monies remaining in the taxation fund at the end of the fiscal year as specified in the Expenditure By-law Annual Budget Schedule, and may be applied towards the operation and administration costs for the next fiscal year. The contingency fund is currently fully funded.

8. Debt Reserve Fund

The Penticton Indian Band has the option to issue its long-term debt through the First Nation Finance Authority ("FNFA"). As a condition of borrowing, 5% of the gross debenture proceeds are withheld by the FNFA as a debt reserve fund. The debt reserve fund is invested by the FNFA and interest earned and expenses incurred are reported annually to the Band. If at any time the FNFA does not have sufficient funds to meet payments or sinking fund contributions due on its obligations, the payments will be made from the debt reserve fund. Details of cash deposits held in the debt reserve fund are as follows:

19. Related Party Transactions and Balances

At the year end, the related party balance of \$151,687 (2020 - \$5,540,345) is due from K'ul Management Group Ltd.

During the year, transactions with K'ul Management Group Ltd. which the Band owns and controls, that are not disclosed separately in these consolidated financial statements are as follows:

- (a) Royalties revenue received of \$386,410 (2021 - \$274,644);
- (b) Fees paid for services of \$- (2021 - \$517,823);
- (c) Assumption of debt of \$4,710,461 (2021 - \$-);
- (d) Forgiveness of debt of \$1,050,423 (2021 - \$-);
- (e) Gain on transfer of work in progress assets for settlement of debt of \$245,896 (2021 - \$-).

These transactions are in the normal course of operations and are measured at the exchange value, which is the amount of consideration established and agreed to by the related parties.

Assumption of debt, forgiveness of debt and gain on transfer of work in progress assets are all recorded as loss on assumption of debt in the amount of \$5,514,989 (2021 - \$-) in the total expenses for the Band for the year (Note 24 and Note 25).

20. Budget

The Band Council Budget Resolution adopted by Council was not prepared on a basis consistent with that used to report actual results (public sector accounting standards). The budget was prepared on a modified accrual basis while public sector accounting standards require a full accrual basis. The budget figures anticipated use of surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to nil. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the Consolidated Statements of Operations and Change in Net Financial Assets represent the Budget adopted by Council with adjustments as follows:

	2022
Budget Bylaw deficit for the year	\$ -
Add:	
Capital expenditures	124,140
Budgeted internal transfers	284,579
	\$ 408,719

- (i) In addition to the corporate guarantees, the facilities are secured by a general security agreement with first ranking over all personal property of Westhills Aggregates Limited Partnership. There are no financial covenants.
- (ii) Skaha Hills Limited Partnership has available a credit facility for an amount up to \$8,750,000. In addition to Penticton Indian Band's corporate guarantee, the facility is also secured by a mortgage, an assignment of rents on the property under development, general security agreements by Penticton Indian Band and Brenlar Investments Ltd, and postponement of claim from each Penticton Indian Band, Brenlar Investments Ltd. and Greyback Development Ltd.
- (iii) In addition to the corporate guarantees, the facilities are secured by a general security agreement with first ranking over all personal property of Snpinktn Forestry Limited Partnership. There are no financial covenants.
- (iv) ISC has provided ministerial loan guarantees to various financial institutions for certain loans to the Band and individual band members. The Band is contingently liable for these loans and has provided repayment agreements to ISC in the event of default.

22. Contingencies

Various lawsuits have been filed against the Band for incidents which arose in the ordinary course of business. In the opinion of management and legal counsel, the outcome of the lawsuits, now pending, is not determinable. Should any loss result from the resolution of these claims, such loss will be charged to operations in the year of resolution.

23. Pension Plan

The Band and certain of its employees contribute to the Penticton Indian Band Pension Plan (the "Plan"). The Plan is a defined contribution plan. Capri Insurance administers the Plan through Great West Life, including the payment of pension benefits on behalf of the employer and employees in accordance with the federal legislation.

During the year, the Band paid \$351,087 (2021 - \$282,563) to the Plan on behalf of its employees.
