Summer **STUDENT SUCCESS**

This month, this was emailed in by Airport Manager for the Penticton Airport.

I have been working with PIB in regards to employment opportunities at the Penticton Airport, or in the industry in general.

We had a successful staffing of a summer student from PIB in 2023 and I hope that can continue again in 2024.

If anyone from PIB ever has any questions concerning career paths in aviation I would be happy to help, I am also a part time professor with the British Columbia Institute of Technology in the Aviation Operations and Management Program so I am aware of funding and grants the college gets to offset tuition or provide per diems to attend college. It would be great if we could meet sometime and we could discuss opportunities at the Airport.

Shout out
