### PHILOSOPHY

At Little Paws Children's Centre, our goal is to work together to nurture and guide early years children by providing an environment that fosters trust security and comfort with a balance of activities that help children to progress in social, emotional, physical and cognitive development. We also believe that parents are the most important people to children and are an important part of a child's education.

If the 3–5-year-old daycare program is full and a PIB band member is ageing out of the infant/toddler program and requires a full-time space, priority will go to the band member child.

## WITHDRAWAL

If you withdraw your child from a program, you are required to give written notice by the 1<sup>ST</sup> of the month for withdrawal for the following month. An additional month's fee will be charged if the required notice is not given. Upon withdrawal all outstanding fees are due.

## GRADUAL ENTRY

A gradual entry process is recommended, but not required, for each new child. Though your child may have other group experiences, this is a new setting with unfamiliar faces. The gradual entry process allows time for your child to feel comfortable, to start developing friendships and to become familiar with staff. We recognize entering childcare can be stressful but by doing the following process your child will feel more comfortable and secure when you do leave them for the whole day. Staff will work with you to determine the best time of day for gradual entry.

**Gradual Entry Process** (flexible to meet child and parent's needs)

Day 1: Child attends for one hour, parent remains with child.

Day 2: Child attends for ninety minutes, parent can stay as long as they would like.

Day 3: Child attends for ½ day.

Day 4: Child attends regular hours.

## FEE PAYMENT POLICY

**CHILD CARE FEES ARE DUE ON THE LAST WORKING DAY OF THE MONTH.**

Parents will receive an invoice by the last week of each month stating the childcare service cost for the month and a breakdown of fees including: Parent Portion and, if applicable, Affordable Child Care Benefit (ACCB). Payments may be made via credit/debit, cash, cheque, or e-transfer to

[DaycarePymts@pib.ca](mailto:DaycarePymts@pib.ca). If you are paying by cash or cheque, staff will provide you an envelope to enclose your payment and place into the safe.

In the event of emergency closures, professional development day closures, absent days, vacations and/or statutory holidays, fees apply for every day your child is registered to secure your space, and a refund will not be provided.

**If full payment is not received by the end of the billing month, Little Paws reserves the right to stop providing childcare until the outstanding arrears have been paid.**

If Affordable Child Care Benefit (ACCB) is not in place, payment for the full amount will be requested and will be reimbursed to the parent once the ACCB benefit plan and case ID has been received. It is the parent's responsibility to ensure that their ACCB authorizations are renewed on time.

*\*\*Little Paws Children's Centre reserves the right to discontinue service until the authorization is in place. The space will be held for one month. If after one month the authorization is still not in place, the centre will give the daycare space to the next family on the wait list.*

### GUIDING AND CARING POLICY

The goal of guidance is to help children become self-directed and independent: to feel empathy from others which will allow development of the whole child. We encourage combined approaches or use a variety of strategies as we respond to the child's behavior and developmental level to ensure success in meeting the challenge of working with young children. The following are the strategies on how our staff will promote a positive atmosphere and maximize opportunities for desirable behaviours:

- Acknowledging feelings before setting boundaries
- Offer developmentally appropriate choices and environment
- Use logical and natural consequences and redirect behaviour
- State clear simple boundaries
- Focus on the behaviour rather than the child
- Make statements of expectations rather than pose a question
- Allow children time to respond to expectations
- Encourage children to use caregivers as a resource
- Model problem solving
- Observe and scan for potential difficulties; act before it starts

It is important to remember that not one strategy will be effective in every situation or with every child. Depending on the severity and its frequency of the behaviour we will consider further steps such as:

- Having a formal or informal team meeting with caregiver and family to discuss concerns and to develop care plan and referral if necessary
- Accessing outside resources (OneSky, OSNS) for referrals to access support workers if needed
- Develop and implement care plan if needed
- If after trying all the steps, including the implementation of a care plan, the child is unable to adapt or we are unable to accommodate the child's needs, we reserve the right to withdraw and suspend the childcare services immediately and without notice.

### HEALTH POLICY

Regular hygiene practices will minimize the spread of illness. The children and the staff will wash their hands before and after eating, after using the washroom and changing diapers. The centre will also be cleaned daily. Toys and surfaces will be sanitized with a hydrogen peroxide solution regularly.

We depend on our families and caregivers to support the overall health and safety of our centre. If your child is sick, please keep them home until they are well enough to participate.

If your child has any of the following symptoms, please keep them home to ensure their health and the health of others:

Little Paws Children's Centre reserves the right to ask the family to find a more suitable childcare arrangement.

**Unresolved Custody Issues**

- If a family's custody issues result in continuous conflicts at the centre (e.g. non-custodial parent continually attempting to pick up the child at a time not specified on the court order), and place the child, staff and other children at risk, then the family will be asked to make alternate care arrangements

## CUSTODY AGREEMENT POLICY

If the parents have agreed to live separately the centre will assume that the information from the enrolling parent will be followed. However, without a written custody or court order on file, the centre cannot deny access to the non-enrolling parent. If this arises the policy on unauthorized persons will be implemented.

If custody has not been legally determined and conflict between parent/guardians and other family members is evident, the centre may not be able to provide care for the child unless both parents and or family members sign a written agreement. This agreement must confirm details regarding authorization for pick up and access of information about the child.

If a family has a custody or a court order, a copy must be placed in the child's file with details regarding all arrangements. All legal documents will be followed by the staff. Verbal and written information about the child will be shared with the enrolling parents/guardians unless otherwise agreed upon.

## REPORTING CHILD ABUSE AND NEGLECT POLICY

Any person who has grounds to believe that a child is in need of protection is required by law to report the matter to the authorities. Failure to report these circumstances is an offence.

If the staff have reason to believe that a child in the daycare is being abused or neglected, it is our duty to report it immediately to the Ministry of Children and Families.

The building is to be evacuated completely. The manager will notify appropriate personnel and communicate what type of emergency is present.

In the event of a fire or emergency, the manager will be responsible to notify 911 of the emergency from a cell phone outside the building once the evacuation is complete.

Emergency procedures relating to fire drills are practiced by the staff and children once per month and the emergency response plan will be practiced once a year and posted in the front entrance of the centre.
