# REQUEST FOR PROPOSAL (RFP)

## SKAHA INTERSECTION CULTURAL ART INSTALLATION

### PROJECT DESCRIPTION

PIB is seeking proposals from a qualified PIB Member artist or artist team for a Cultural Art Installation for the Skaha intersection. The art installation will be based on the captik<sup>wl</sup> for the syilx place name: q<sup>w</sup>ci?s snk<sup>l</sup>ip (coyote's winter home).

PIB and the BC Ministry of Transportation and Transit (MoTT) are working together to redevelop the HWY 97 and Skaha Lake Drive Intersection for improved traffic flows and pedestrian safety. An important part of this project is highlighting the significance of this area to the syilx Nation.

This syilx place name for this area is q<sup>w</sup>ci?s snk<sup>l</sup>ip (coyote's winter home). This place name comes from the captik<sup>wl</sup> (the documentation of syilx knowledge) of how snk<sup>l</sup>ip (coyote) brought salmon to the people of snpink'tn (Penticton) and got his forever q<sup>w</sup>ci? (winter home) built. A shortened version of this captik<sup>wl</sup> as referenced by IndigiNews (told by Jeannette Armstrong and published by Athena Bonneau), is provided in and Appendix in the RFP package.

You view the RFP Package on the PIB Website:
