Honoring Sisters in Spirit: Vigil in Penticton to Remember MMIWG2S+

Penticton, BC — September 30, 2025

Sisters in Spirit Day is a National Day of Action held annually on October 4th to honor the lives of missing and murdered Indigenous women, girls, and Two-Spirit people (MMIWG2S+) in Canada. It is a time to reflect on these profound losses, support grieving families and communities, and advocate for action to end the violence against Indigenous peoples.

The snpink'tn (Penticton Indian Band) in partnership with City of Penticton, Okanagan Nation Alliance and the Ookanakane Friendship Centre will be showing support and holding a public vigil that everyone is welcome to attend. We invite the community to come together in remembrance, healing, and solidarity.
